Spring 2018

Dear Community Main Street Member:

Keepsake Quilters Quilt Guild is seeking your support for our ongoing activities and community outreach in the Cedar Valley.

We are doing this as part of our 2018 Quilt Show, **QUILTS ON MAIN**, to be held November 3rd and 4th 2018 at the Cedar Falls Community Center. In addition to funding the activities of the guild, this quilt show showcases the creative work of our members providing a wonderful week-end experience on Main Street in Cedar Falls.

Keepsake Quilters is a non-profit organization with over a twenty five year history in the Cedar Valley. Our purpose is to promote the art of quilting; preserve the legacy of the quilters who preceded us; and educate the quilters about new techniques and skills needed to take quilting well into the future. But, we are most proud of what we do for the community. Over the years we have created over 2660 quilts for local veterans, Bremwood youth home in Waverly; Hospice patients; pillowcases for Veterans that go on Honor Flights and a variety of other charities.

Your monetary donation will be used directly to support our activities. Any items you donate will be utilized at the event to raise additional funds.

Please reply by mail, email or phone and/or send donation item(s) to the following address:
