SCRAPS FROM THE KQ GUILD PRESIDENT

SUE PLAGGE

Greetings all! What a pleasant and enjoyable time of year in Iowa. We've hit that transitional period when summer is on its way out and fall will be here soon. I have really liked being out on my patio and have enjoyed my flowers and mini garden. Now I'm kind of feeling the pull to spend more time inside and get back to the many projects that are waiting for me at my sewing machine. Hope to see you at our meeting September 16th.

"Tips, Tricks, and Techniques from the President."

- Chenille pipe cleaners work great to clean your machine. They can be bent to fit into tiny out of the way spaces. They collect the dust and lint and can be wiped off and reused.
- Use extra return address labels to identify rulers, mats, rotary cutters and other small tools you take with you on retreats and workshops. If they are left behind, the finder will know how to contact you.
-

Continue to stay *Warm* and *Friendly*!

2019 – 2020 PRESIDENT'S CHALLENGE

You must use some of the colors on the page you tore out of the magazine. You do not need to use all of the colors on the page and you can add other colors. What you make is totally up to you. It could be a bag, a quilt, a table runner or topper, or a wall hanging. Be creative and have fun.

QUILT TO SHARE

Quilts to Share Work Days are held each Monday of the month, except the third Monday, from 9am to 3 pm. Stop in to work with others on QTS projects for all or part of the day. Sewing machines and all supplies are available. Nothing to prepare, no machine to drag around, just come. Please bring a sack lunch if you are planning to be there at noon.

If you are unable to come on QTS work days and need kits, fabric to launder, or quilts to quilt on your own, just give me a call.

Member spotlight

MEMBER SPOTLIGHT – TERI MOWERY

Terri has been happily married to her husband, Bill, for 28 years. They have one son who lives in Ankeny. She retired from teaching math in the Waterloo school district in 2013 and now has the time to do what she wants, which is mostly quilting. She has been a member of the guild since 2016 and has been on the program committee for the last three years and co-chair for the last two. Terri learned to sew at the age of 10 from her Grandmother and made all her clothes throughout high school and college. Then she got busy with life and quit sewing, but really missed it. She took a quilting class in 2008 and was hooked!! She is willing to try any style of quilting and likes it all except applique. She loves to quilt with panels and her favorite fabric is cat themes of any kind and for colors, the brighter the better. She loves red and white quilts and black and white quilts. As for her next project, hopefully it will be something from her stash.

MEMBER SPOTLIGHT – Dianne Mahood

Dianne has been in the guild about 4 years. She served on the quilt show committee last year and is currently co-chair of the Hospitality Committee with Peg Frost. After 41 years, Dianne retired from the UNI Registrar's Office in 2019. Her mother taught her to sew in junior high school. Then she discovered counted cross-stitch and knitting. Her sister-in-law introduced her to quilting 20 some years ago. Her first quilt was a queen size rail fence quilt as you go, which she still has on her bed. Dianne has made numerous quilts for nieces and nephews as wedding gifts or baby gifts. She prefers to machine piece. Her favorite colors are earthy colors. She really likes the Thimbleberries fabric. She enjoys doing smaller quilts, wall hangings, and table runners. Her goal is to put a huge dent in her UFOs.
